TRIP PROFILE

We ride on small local roads with little traffic and some short off-road sections. The terrain is undulating with no major climbs, but just in case, our support vehicle is always close by. This tour is suitable for anyone with biking experience. The trip is fully supported and your guide's expert knowledge of the area and terrain means that you always know what is coming up in terms of distance and difficulty. This makes a tremendous difference, as does the constant supply of cold drinks and fresh fruit.

Suitability: This tour is suitable for riders with biking experience. You can expect a fairly gentle ride each day with none of the distances being overly long. There are a few small hills, but these can be tackled by anyone with even a moderate amount of fitness. The emphasis on this tour is Thailand's scenery off the beaten track.

Biking Conditions: This trip is a mixture of wide, hard-packed dirt trails, single tracks and smooth tarmac. An air-conditioned bus travels behind the group to support us, and participants can cycle as much or as little as they like and still enjoy the same views as the rest of the group.

Day 1 Mae Ngad Reservoir

After the pickup from hotel in the morning, we transfer to start off at Buathong waterfall. A walk up the waterfalls will get your legs warmed up and ready to ride. We start by cycling through a teak tree farm with the various ages of the trees listed. From there we ride along country roads, along a canal and through rice paddies. We'll stop for a break at Mae Ngad reservoir and enjoy the lake side view from the dam. The hotel has a great pool and a swim is a fine way to finish off a great riding day.

Ban Phraya Lanna Rimnam

Lunch, Dinner

 Ride 30km

Day 2 Chiang Dao Tribal Trails

We take a transfer from our resort to the Chiang Dao Caves and the start of our ride. After a visit to the cave we'll ride through rice fields set among soaring limestone cliffs. We may meet some local tribe peoples - Akha, Lisu, and Palaung – from the area. The colourful Palaungs are recent migrants and you will see their women adorned with heavy brass waist-bands working the fields.

 Saimoonburi Resort  Breakfast, Lunch, Dinner

 Ride 35km

Day 3 Roads to Mae Salak

After breakfast we begin cycling from the hotel, riding through small villages and rice paddies. The ride to Mae Salak follows the Mae Kok river and is one of the most scenic on the trip. The lush green hills in the distant is Thailand's natural border with neighbouring Myanmar. We cycle into the village of Fang, where we'll stop for a tasty Thai lunch, then transfer to our hotel on the banks of the Maekok River.

 Maekok River Village Resort  Breakfast, Lunch, Dinner

 Ride 40km

Day 4 Mae Salak to Chiang Rai

This morning we take a quick transfer to a Lahu village where we then hitch a ride on a long-tail boat (with our bikes) on the Mae Kok River. Once back on solid ground we cycle along some natural hot springs and then back track a short bit to head to Chiang Rai. We visit one of the most important temples of Chiang Rai, Wat Phrakaew, which once housed the Emerald Buddha before its present day location at the Grand Palace in Bangkok. After our break we ride on to Wat Rong Khun, also known as the White Temple. Here we'll end our tour and transfer you to your Chiang Rai city hotel or to the airport.

Disclaimer: The adventure cycling tours we operate often go beyond the beaten track, and the countries where we ride are not always predictable. Due to these reasons, it is occasionally necessary to reroute or update itineraries. Our guarantee is that we will not change a trip unless for safety or to improve it. Our listed hotels are always accurate at the time of writing, but should we have to change any hotel, it will always be for a similar or better one.

NUTS & BOLTS

Bikes

Bike hire is included in the tour. The bikes are well-known makes of hybrid or mountain bikes (depending on the tour) with lightweight alloy frames, 24- to 27-speed gearing, v-brakes and Shimano components and front suspension.

Bike Repairs

Basic spares and tools are carried by the guide and on the support vehicle, though we cannot guarantee having spares for every conceivable problem. Carrying a basic tool kit, a spare tube and a pump while riding is recommended.

Safety

Wearing a helmet is required on all our biking adventures and is non negotiable. If you do not wear a helmet you will not be allowed to cycle. Your tour leader is trained in first aid and emergency rescue, but to a large degree you must be responsible for your own safety while riding. It is therefore compulsory that you take out travel insurance that will cover you for a mountain biking tour.

Guides

You will be led by a local English-speaking guide and if the group is 9 people or more we will add another guide to the tour. All our guides are well informed in the history, culture and religions of the area where you are biking and are skilled at passing that knowledge on to you. Your guide is also medically trained and an experienced cyclist, able to handle most minor repairs en route.

THE NITTY GRITTY

Passports and Visas

Visitors from 93 countries can enter Thailand for 60 days without applying for a visa. See [here](#) if your country is on the list. If you do not hold a passport from one of these countries please contact the Thai embassy or consulate nearest to you about applying for a visa. If you intend to stay for more than 60 days you will also need a visa. Please check this [page](#) for more details and the latest updates. Please ensure you hold a passport with at least 6 months of validity remaining. You will need to show proof of an onward flight out of Thailand to be eligible for the visa on arrival. If you do not possess a ticket proving your exit from Thailand within 60 days of arrival, you may be denied boarding.

Health

We recommend that you visit a travel medical doctor and ask about the following vaccinations: typhoid, polio, tetanus and hepatitis A. A certificate for Yellow Fever is required when arriving from an infected area within six days.

Weather

Thailand generally has a tropical climate with fairly high humidity. The North and Central region have a tropical climate with fairly high humidity. Northeast Thailand has a humid hot and dry weather alternatively with medium rain while the coastal areas of the east is humid and hot with intermittent rain. The South of Thailand has a tropical climate with fairly high humidity.

There are three seasons: from March to June it is hot and dry, with temperatures between 27°C/80 F and 40°C/104 F, with night temperatures in the 20s. The rainy season is from July to October, but temperatures are slightly lower, because of the effect of the rain. During this time it will not rain continuously, but in sharp bursts, and the sun can come out quickly. The cooler

season is from October to February, with average temperatures between 20°C/68 F and 30°C/86 F.

Food

Meals are included as per the itinerary where B = breakfast, L = lunch, D = dinner. Most meals are local and feature noodles, rice, curries, and soups. Any special dietary requirements can also be catered for as well. Please let us know at the time of booking.

Drink

Keeping you completely hydrated is a job we take very seriously. Cold water, some energy-restoring local fruit, and soft drinks are included in the tour price while riding. Soft drinks and other beverages during meals are not included. Beer is freely available everywhere but is NOT included in the price.

Solo Travelers

SpiceRoads does not require you to pay a surcharge for traveling alone. We will arrange for you to share accommodation with another traveler of the same gender and if we cannot match you up we will provide a single room at no extra charge. If you prefer not to share a single supplement is payable to guarantee your own room. The cost of the single supplement is listed above.

Extra Expenses

We recommend that you tuck away a few extra dollars, perhaps US\$20 per day, for incidentals.

Money

The Thai currency is the baht. ATMs, which are abundant, are the easiest ways to get Thai baht. Have a supply of US dollars in cash on hand, just in case your card doesn't work. Banks or the rarer private moneychangers offer the best foreign-exchange rates. Credit cards are accepted in big cities and resort hotels but you'll need baht for family-run guesthouses or restaurants.
