TRIP PROFILE

We ride a total of 485 km with 8000 m of elevation gain in 6 days of riding. The climbing is nicely distributed throughout the tour, so we have time each day to enjoy the natural beauty and distinctive cultures along the way, while still completing substantial rides and working up the requisite appetites! On the evening of Day 1, we meet our guides for dinner and a preview of the journey ahead. Our first ride (Day 2) is a 75 km coastal ride that begins south along the Croatian coast with a series of climbs. As we enter Montenegro's Bay of Kotor in the second half, the ride flattens out, leaving a total gain of 1000 m for the day, an ideal introductory ride. Day 3 is a much more vigorous loop through scenic Lovcen National Park, with total climbing of almost 2000 m over an 80 km distance. The Day 4 route begins flat along the bay for the first 25 km, then climbs more than 800 m steadily over about 25 km, culminating in a long descent for a daily total of 66 km and +1200 m. Riding the valley from Trebinje to coastal Neum on Day 5 gives us long flatter sections with occasional undulations, taking us 1000 m of climbing distributed over the 91 km distance. Expect some steeper climbs on Peljesac Peninsula on Day 6, adding up to 85 km and +1200 m. Korcula Island delivers a nice challenge on the last day of cycling, with +1500 m and a distance of 90 km before we transfer back into Dubrovnik for the final night dinner. Day 7 is departure day, when you may choose to head to the airport, or continue your stay in Dubrovnik.

The trip is fully supported, and your guide's expert knowledge of the area and terrain means that you always know what is coming up in terms of distance and difficulty. This makes a tremendous difference, as does the constant supply of water and refreshments along the way.

Suitability: This is a tour for cyclists with a high level of physical fitness, who are at ease on a road bike and looking for iconic climbs to conquer. Fitness will be a huge asset on those long days and challenging climbs. Bike handling skills are also essential for the long descents with some sharp turns along the way.

Biking Conditions: The roads are 100% tarmac and overall in good condition. We've chosen dates in the optimal seasons for riding comfort, but we may encounter hot weather along the way, along with strong gusts of wind. It's also advisable to bring rain gear. Though there will not be heavy traffic along much of the route, there may be more crowded sections, especially as we pass through urban areas and busier coastal regions.

Day 1 Meet in Cavtat

Our journey begins in Cavtat, a charming coastal village 10 minutes by car from Dubrovnik Airport and 30 km from Dubrovnik's city centre. Founded by the Greeks in the 6th century BCE, the town is known for its historic architecture and idyllic waterfront. Take time to stroll along the harbour promenades or relax at the hotel before meeting your guide for a delightful welcome dinner to kick off your adventure.

Dinner

Day 2 Cavtat to Kotor

We ride out of Cavtat and wind our way through the rolling green hills of the Konavle countryside, a narrow plain between the mountains and the sea that is marked by beaches, seaside cliffs, and traditional stone houses. The route takes us to the southern tip of Croatia, where we'll cross the border into Montenegro. Cycle along the stunning azure coast and enter the narrow strait at the mouth of the Bay of Kotor. We pass the fortress town of Herceg Novi and follow the scenic route along the bay, which lies between massifs of the Dinaric Alps. We reach the medieval town of Kotor, tucked deep in the inner section of the bay. Take in the breathtaking views, the pretty streets and terraces of the old town, and layers of archaeological history stretching back over two millennia.

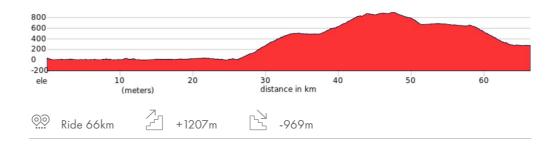

Day 3 Lovcen National Park

Challenge yourself with an exhilarating day of cycling into more remote territory, beginning with an ascent of the famed serpentine road above Kotor, offering spectacular views of the bay below. The route then leads into Lovcen National Park, home to lush forests and Montenegro's symbolic "black mountain", which refers to Mount Lovcen's shroud of forests. The park straddles the coastal and mainland ecosystems, resulting in a variety of landscapes and diverse wildlife throughout. Visit the old royal capital of Cetinje and experience its historic ambiance before cycling through rural landscapes dotted with small farms and traditional homes. Descend back to Kotor and seek out the delicious local cuisine to celebrate your day.

Day 4 Kotor to Trebinje

This morning, we will make our way out of the Bay of Kotor and pass once more through Herceg Novi. Soon after, we'll leave the coastline and head towards the mountainous border between Montenegro and Bosnia-Herzegovina. This is a steady climb on winding roads surrounded by untouched nature. Crossing into Herzegovina, the landscape transitions to rugged mountains and isolated valleys, with small farming settlements amid swathes of forest. After climbing to an elevation of 900 meters, an 18-km descent carries us into Trebinje, which sits in the Trebišnjica River valley. The town is known for its Ottoman-era buildings and vibrant riverside cafes, perfect for unwinding and taking in the culture of this different country after a rewarding day.

Day 5 Trebinje to Neum

Today's atmospheric ride takes us deeper into the heart of rural Herzegovina, where the Trebišnjica River flows through a serene valley surrounded by age-old villages. Glide along quiet roads on peaceful wooded hillsides with scattered stone houses, a landscape that seems to belong to another time. We reach the Adriatic once more at Neum, on a strip of land that bisects Croatia and provides Bosnia-Herzegovina's only section of coastline, offering cuisine that is a unique blend of traditional Bosnian specialties with the abundant local seafood. Enjoy sweeping views over the sea, local dance performances, and the lively night life in this culturally vibrant city.

Day 6 Neum to Korcula

Begin your day with a ride along the coastal road as you re-enter Croatia and cycle across the seascapes of the Pelješac peninsula, known for its olive groves, hillside vineyards, and fishing villages (all of which make for a great lunch along the way!). A flat start of the ride is followed by some good climbs in the second half. Nearing the northern end of the peninsula, we board a ferry for a short passage to the Island of Korcula. We settle into our hotel in the harbour town of Korcula, often called "Little Dubrovnik" for its Venetian Renaissance architecture and rich heritage. The town comes to life in the evening with performances of the local "Moreska Sword Dance" and a sense of community around the small port.

Day 7 Korcula Island Loop

Today's ride is an exploration of Korcula Island, cycling through its lush vineyards, quiet inland towns, and along the peaceful coastal roads. We will stop at small wineries and local eateries to taste traditional Dalmatian fare. The route offers panoramic views of the Adriatic and showcases the island's diverse landscape, with dense forests and clear, blue bays: the quintessential Dalmatian cycling experience. Conclude the day at Korcula town's port and enjoy a relaxing ferry and van shuttle back to Dubrovnik. Tonight, we will mark the end our our tour with a final night dinner and share in the memories of all we have experienced. Nazdravlje!

> Disclaimer: The adventure cycling tours we operate often go beyond the beaten track, and the countries where we ride are not always predictable. Due to these reasons, it is occasionally necessary to reroute or update itineraries. Our guarantee is that we will not change a trip unless for safety or to improve it. NUTS & BOLTS

Bikes

Because some people can't imagine going on a trip without their own beloved bicycle, we do not provide them as part of this tour. However, you can hire bikes locally for the price listed in the tour pricing section.

If you bring your own road bike, please make sure it is in good mechanical order.

Bike Repairs

Basic spares and tools are carried by the guide and on the support vehicle, though we cannot guarantee having spares for every conceivable problem. Carrying a basic tool kit, a spare tube and a pump while riding is recommended.

Safety

Wearing a helmet is required on all our biking adventures and is non negotiable. If you do not wear a helmet you will not be allowed to cycle. Your tour leader is trained in first aid and emergency rescue, but to a large degree you must be responsible for your own safety while riding. It is therefore compulsory that you take out travel insurance that will cover you for a mountain biking tour.

Guides

You will be led by a local English-speaking guide and if the group is 9 people or more we will add another guide to the tour. All our guides are well informed in the history, culture and religions of the area where you are biking and are skilled at passing that knowledge on to you. Your guide is also medically trained and an experienced cyclist, able to handle most minor repairs en route.

THE NITTY GRITTY

BOSNIA & HERZEGOVINA

Passports and Visas

Citizens of the EU, UK, US, Australia, and Canada are among those who do not need a visa to enter Bosnia and Herzegovina for visits under 30 days. Also, Bosnia and Herzegovina now recognizes Schengen visa documents for visits of up to 30 days. To confirm whether you need to apply for a visa, visit the <u>Ministry of Foreign Affairs</u>, Bosnia and Herzegovina.

Health

While no vaccines are required for travel into Bosnia and Herzegovina, some doctors recommend getting vaccinated for Hepatitis A and B, as well as for rabies. Visit your medical professional to confirm what precautions you should take.

Weather

Bosnia and Herzegovina's weather mostly reflects most inland hilly and mountainous European climates. July and August summers see averages of 25 C while winters around January can get down to around 0 C. As always, the weather is milder along the coast and a bit more varying at higher elevations, which can reach around 2,000 m. Even on the hottest days, temperatures cool down quite a bit at night, especially in the mountains. For the mildest weather with the least chance of rain, June to September may be the best time to travel there.

Food

Meals are included as per the itinerary where B = breakfast, L = lunch, D = dinner. The cuisine reflects influences from Eastern European, Mediterranean, and Middle Eastern cultures. There's plenty of stewed meats and vegetables along with spicy sausages. Make sure to try ćevapčići, spiced sausages or patties served with pita bread and onions. Enjoy seasoned meat, vegetables, and rice wrapped in grape leaves, dolmas, or in cabbage leaves, sarmas. Offal is also a staple in many local offerings. Be prepared for sweet or savoury with uštipci, fried dough, at breakfast. We'll make sure you get to sample a large variety of local cuisine. Any special dietary requirements can also be catered for as well. Please let us know at the time of booking.

Money

Although the official currency of Bosnia and Herzegovina is the convertible marka, Euros are widely accepted, be it on an unofficial basis. So, make sure to keep up with exchange rates if you decide to use Euros! However, there are plenty of ATMs in most towns and resorts that accept foreign credit and debit cards, so you can withdraw cash on the ground. Ask your guide if you'll be heading into a remote area that may not have ATMs available or won't accept cards.

MONTENEGRO

Passports and Visas

Citizens of the EU member states and citizens of the signatories to the Schengen Agreement may enter the territory of Montenegro with a valid ID card issued by the competent authorities of the concerning countries. All remaining nationalities require a valid passport for entry into the country. Please ensure your passport is valid for at least 6 months from date of entry. If staying less than 90 days a visa is not required for nationals of more than 90 countries. Please check the <u>here</u> and <u>here</u> for details applying to your status. The same applies for transiting through Croatia.

Health

No vaccinations are needed.

Weather

In Montenegro it's possible to reach an altitude of 1700 m within 10 km of the coast, so wild variances in climate are to be expected. Chillier temperatures are probably at higher altitudes. Like most of the Mediterranean region, Montenegro's coast enjoys balmy summers. The warmest months are July and August, when the temperature ranges from 19°C to 29°C (average lowest to average highest). And just to let you know – the summer sea temperature is 25°C to 28°C.

Food

Meals are included as per the itinerary where B = breakfast, L = lunch, D = dinner. In addition to the standard European and Mediterranean cuisine, Montenegro offers a variety of healthy food products and local specialities. Cold hors-d'oeuvres include the famous njeguški pršut (smoked ham) and njeguški cheese, pljevaljski cheese, mushrooms, donuts and dried bleak (carp family).

A selection of traditional recipes of the central and coastal parts will include the kastradina (dried mutton), smoked and fresh carp (from Skadar Lake) and a variety of fresh sea fish and seafood dishes. We shall make sure you sample a large variety of local cuisine. Any special dietary requirements can also be catered for as well. Please let us know at the time of booking.

Drink

Keeping you completely hydrated is a job we take very seriously. Cold water, some energyrestoring local fruit and soft drinks are included in the tour price while riding. Soft drinks and other beverages during meals are not included. But you may also want to bring electrolyte in powder or tablet form. Alcoholic drinks are available everywhere, but are NOT included in the price.

Solo Travelers

SpiceRoads does not require you to pay a surcharge for travelling alone. We will arrange for you to share accommodation with another traveller of the same gender and if we can not match you up we will provide a single room at no extra charge. If you prefer not to share a single supplement is payable to guarantee your own room. The cost of the single supplement is listed above.

Extra Expenses

We recommend that you tuck away a few extra Euros for possible incidentals that might arise. It is always wise to have some paper currency in case of ATM absence or credit card problems. This will save you a lot of unnecessary worries. It is also customary to tip local tour guides and drivers; however, the amount you give should be dependent on the level of service you receive. As a general guide we suggest that €5-10 per person per day is appropriate.

Money

Montenegro is the nation that adopted the euro as its official currency.

CROATIA

Passports and Visas

Citizens of the EU, UK, US, Australia, and Canada are among those who do not need a visa to enter Croatia for visits under 90 days. Also, Croatia now recognizes Schengen visa documents for visits of up to 90 days for every 180-day period. To confirm whether you need to apply for a visa, visit <u>Croatia's Ministry of Foreign and European Affairs</u>

Health

While no vaccines are required for travel into Croatia, some doctors recommend getting vaccinated for Hepatitis A and B, as well as for rabies. Visit your medical professional to confirm what precautions you should take.

Weather

With its extensive coastline, Croatia boasts a perfect Mediterranean climate. Summers and springs are warm and sunny, with hotter temperatures further inland. Average temperatures sit around 20 C. Autumns and winters are mild, averaging around 9 C, with potential snows away from the coast and at higher altitudes as temperatures may drop below 0 C. While snow is rare, rain is not, with around 1,000 mm in rainfall annually, mainly in autumn and winter.

Food

Meals are included as per the itinerary where B = breakfast, L = lunch, D = dinner. Croatian cuisine is founded in Eastern European and Mediterranean traditions. Along the coast, look for seafood specialties, like brodet (stewed mixed fish served with polenta) or hvarska gregada (different types of fish cooked with herbs, potatoes, and white wine). Eka features lamb or fish being roasted over hot coals, and there's plenty of hearty stews, cheeses, and vegetables to keep your energy up. Just keep room for kremsnita, a Croatian custard and vanilla cake. And if you're so inclined, there's plenty of vineyards featuring local wines to taste, too! We'll make sure you get to sample a large variety of local cuisine. Any special dietary requirements can also be catered for as well. Please let us know at the time of booking.

Money

Although the official currency of Croatia is the kuna, Euros are widely accepted, be it on an unofficial basis. So, make sure to keep up with exchange rates if you decide to use Euros! However, there are plenty of ATMs in most towns and resorts that accept foreign credit and debit cards, so you can withdraw cash on the ground. Ask your guide if you'll be heading into a remote area that may not have ATMs available or won't accept cards.
