TRIP PROFILE

The cycling is on a mixture of well-surfaced roads and the option to go off road onto single track. An air-conditioned bus will travel behind the group to support us. On the occasions when it is impossible for the bus to follow, our guide follows behind on a motorcycle. Participants can cycle as much or as little as they like and still enjoy the same views as the rest of the group.

Suitability: The daily distances are not too long and the terrain is gentle so this trip is suitable for most people, but it's advisable to have a modicum of fitness to enjoy the riding! Fast cyclists can ride at their own pace, as detailed directions are available from the leader.

Day 1 Ho Chi Minh City - Cai Be

We start our bike tour with a transfer to Cai Lay and an exciting ride on backroads for around 1.5 hours. We have lunch on an island before continuing onto our local homestay run by a lovely retired couple, Mr. and Mrs. Ba. They live in a typical Mekong Delta Vietnamese house, with airy rooms and outdoor kitchen. The rest of the afternoon is free to bike the dirt paths surrounding the homestay. Dinner will be prepared by the homestay hosts.

Day 2 Cai Be - Vinh Long - Tra Vinh

From Vinh Long enjoy a boat journey out to one of the Mekong islands. Bike along narrow country lanes, easy dirt tracks and trails. This is biking at its most glorious -- through tiny orchards, witness colorful life along the riverside, pedal past picturesque delta homes, pause to chat with welcoming villagers, clack across innumerable wooden bridges. Cross a narrow canal on a local sampan, before finishing at the main ferry for a refreshing boat trip across the expansive Co Chien River. Ride a final few kilometers to the very pretty Khmer town of Tra Vinh. There will be plenty of time to explore side tracks and trails as the cycling distance today is not far. This gives a great first impression of the 'heart of the Mekong'.

Day 3 Tra Vinh - Can Tho

Day 3 marks a unique day of riding and sightseeing. As much of the area is populated by Khmer people, the regional architecture is interesting and there are many Khmer temples to stop and admire en route. Cycle along the beautiful surroundings with a support vehicle always nearby. The road is peaceful, narrow, and very picturesque all the way to Can Tho. Pedal to Ba Om Pond with its magnificent lotus flowers, where many local women get their futures predicted in the small temple nearby. En route, visit a local Buddhist Temple (doubling as a school) and learn about the life of the students. Arrive late in the afternoon to Can Tho, the Mekong's largest town located at the confluence of the Can Tho and Hau Giang Rivers.

Day 4 Can Tho Bike Loop - Saigon

We rise early and hop on our bikes weaving through Cai Rang floating market on the bustling banks of the riverfront. We ride on a narrow paved road to Phong Dien, absorbing the sights of endless cottage industries, timber merchants, coconut shredders and small docks loading/unloading rice. Continue by bike on the narrow lane and loop round to the main road. Ride to O Mon or Binh Thuy. We celebrate the end of our Vietnam bike tour with one last lunch at a local restaurant in town. Return to the hotel, check out and drive four hours back to your hotel in

Saigon. Those looking to extend their stay can head to the coastal area of Nha Trang, venture to the picturesque Halong Bay, or explore mountainous Mai Chau.

Disclaimer: The adventure cycling tours we operate often go beyond the beaten track, and the countries where we ride are not always predictable. Due to these reasons, it is occasionally necessary to reroute or update itineraries. Our guarantee is that we will not change a trip unless for safety or to improve it. Our listed hotels are always accurate at the time of writing, but should we have to change any hotel, it will always be for a similar or better one.

NUTS & BOLTS

Bikes

The bikes you will be riding are well-known makes of Hybrid or Mountain bikes (depending on the tour) with lightweight alloy frames, 24- to 27-speed gearing, v-brakes and Shimano components and front suspension.

Bike Repairs

Basic spares and tools are carried by the guide and on the support vehicle, though we cannot guarantee having spares for every conceivable problem. Carrying a basic tool kit, a spare tube and a pump while riding is recommended.

Safety

Wearing a helmet is required on all our biking adventures and is non negotiable. If you do not wear a helmet you will not be allowed to cycle. Your tour leader is trained in first aid and emergency rescue, but to a large degree you must be responsible for your own safety while riding. It is therefore compulsory that you take out travel insurance that will cover you for a mountain biking tour.

Guides

You will be led by a local English-speaking guide and if the group is 9 people or more we will add another guide to the tour. All our guides are well informed in the history, culture and religions of the area where you are biking and are skilled at passing that knowledge on to you. Your guide is also medically trained and an experienced cyclist, able to handle most minor repairs en route.

THE NITTY GRITTY

Passports and Visas

Vietnam e-visa application is available to all nationalities. You can apply for a single-entry visa up to 30 days, or a multi-entry visa up to 90 days. Application is through the Vietnam [visa portal](#).

Please carefully fill out the form and check the information you have entered. Even minor spelling errors will render the visa invalid and your entry to Vietnam will be denied.

For peace of mind, we suggest applying for your e-visa as early as possible, and no later than 2 weeks before your expected arrival in Vietnam. While processing time is generally no more than 1-3 working days (not including weekends and Vietnamese holidays), it is wise to give yourself some buffer time in case there are any issues.

If you are joining a multi-country trip beginning in Vietnam, please be sure to select the correct exit point from the list below:

“Saigon to Bangkok” and “Saigon to Siem Reap”: Song Tien Landport
“Road Biking from Saigon to Angkor”: Moc Bai Landport

"Remote Vietnam and Laos": Na Meo Landport
"Hanoi to Luang Prabang": Tay Trang Landport

If your SpiceRoads trip will end in Vietnam, please choose your point of exit as the airport, port or land border through which you have arranged to leave Vietnam.

Health

See [here](#) for recommendations and detailed information.

Weather

Weather in Vietnam is divided into 4 main regions - the far north, north, central and south.

The far north can get very cold in December and January while the dry season runs from October to late March and the wet season between April to September.

In Hanoi & the north, it is hot, wet and humid from May to October while November to April is cooler and dry.

Central Vietnam experiences hot, dry weather between January & August with temperatures ranging in the mid 30°C. High levels of rainfall are during September - November.

Southern Vietnam is dry and hot from November to April, and warm and wet between May & October, with the highest rainfall in June, July & August.

Food

Meals are included as per the itinerary where B = breakfast, L = lunch, D = dinner. Most meals are Vietnamese food and features noodles, rice curries and soups. Vietnamese cuisine is world famous and we make sure you sample as much variety as possible. Any special dietary requirements can also be catered for as well. Please let us know at the time of booking.

Drink

Keeping you completely hydrated is a job we take very seriously. Cold water, some energy-restoring local fruit, and soft drinks are included in the tour price while riding. Soft drinks and other beverages during meals are not included. Beer is freely available everywhere in Vietnam but is NOT included in the price.

Solo Travelers

SpiceRoads does not require you to pay a surcharge for traveling alone. We will arrange for you to share accommodation with another traveler of the same gender and if we can not match you up we will provide a single room at no extra charge. If you prefer not to share a single supplement is payable to guarantee your own room. The cost of the single supplement is listed above.

Extra Expenses

We recommend that you tuck away a few extra dollars, perhaps US\$10, for incidentals. It is customary to tip local tour guides and drivers, however, the amount you give should be dependent on the level of service you receive. We will send you a tipping guideline before the tour begins.

Money

The official national currency is the Vietnam dong (d), but the US dollar is widely accepted in tourist centers. However, in smaller towns and villages the dong is preferred. ATMs are available in all major tourist destinations and big cities. Vietcombank has the best network with a single withdrawal limit of 2,000,000d (about US\$125). Most major currencies can be exchanged at leading banks in Vietnam, but the US dollar is preferred away from the tourist centers. Changing US\$100 will make you an instant millionaire! You cannot legally take the dong out of Vietnam but you can reconvert reasonable amounts of it into US dollars on departure.
